GENERAL INFORMATION:

Do you plan to be the sole exhibitor at your venue? Yes No

If "no," and you will be hosting an exhibitor or inviting someone to show their work or perform History at your venue, you must have a written agreement between you and your YesterBoone exhibitor. ALL YesterBoone venues must complete this as part of the organizational process of hosting a YesterBoone exhibit, collection, or performance at your venue.

YesterBoone venues must have free and open access. That is, all areas where exhibits or performances operate must not have a financial barrier or ticket/admission fees. Venues may operate normal business activities in other areas around the exhibit, but YesterBoone exhibits and performances must be free of charge.

Once your registration form and fees have been processed, you will receive a sample hosting agreement, which you may modify to your liking as you organize with your exhibit partner(s), by email or hard copy. Please indicate your preference by circling one of the following choices:
