Season of Giving

The Boone County Historical Society is a non-profit, 501c3 organization. Donations of any amount help the BCHS fund arts and cultural programming at the Boone History Center along with development, repairs and improvements at the Mamie Doud Eisenhower Birthplace, and the Kate Shelley Park & Museum.

Please make your checks payable to Boone County Historical Society or call us to apply your contribution by using a credit card.

Happy Holidays!

Summary of Proposed Changes to the BCHS Bylaws:

In March, we sent all members proposed changes to the BCHS Bylaws and we would like all BCHS members to visit our website to consider and view the current 2006 version and the newly proposed 2018 version. Changes and updates include but are not limited to:

- new format of bylaws document
- modifications to the board member terms of office and updates to scheduling of the annual meeting.
- meetings of the members, rights of members, removal and conduct of members, and meetings called by petition.
- updated BCHS committees
- clarification of board of director numbers and terms, and removal and conduct of board members.
- revised language and updated Real Estate, Loans and Purchasing.

BCHS members may schedule an appointment with one of the BCHS board members to discuss proposed changes or view these changes on the website.
